ROAMVY

Before You Begin: Roamvy eSIM Setup

Before installing your Roamvy eSIM, please confirm the <mark>following</mark> **requirements:**

Device Compatibility &Unlock Status

Make sure your iPhone supports eSIM technology and is carrier-unlocked. Locked devices or unsupported models may prevent the eSIM from installing or activating correctly.

Stable Internet Connection

Use a stable Wi-Fi or mobile internet connection during installation. A reliable connection ensures your eSIM profile downloads and activates without interruption.
